Enjoy this well maintained West Bishop Home, located in the Barlow Neighborhood off Highland Drive. The recently remodeled kitchen offers custom cabinets and granite countertops and flows wonderfully into the open dining and living rooms. Nearly one-half acre of manicured landscaping offers plenty of space for any family. The detached garage and shop along with two additional storage sheds provide more than enough storage for all the toys. Additional features included, hardwood floors, new windows, custom stone work, and newer forced air heating. Landscaping includes grapes, apple, plum, nectarine, 2 cherry and 2 peach trees.
